OBJECTIVE

Through dedication, hard work, and a willingness to adapt to new technologies, I aim to become a valuable asset to the organization while continuously refining my skills to become a proficient and sought-after Software Developer.

EXPERIENCE

Web Development Internship
Zetpeak
Team Leader & Front-end Developer
July 2023 – October 2023
• Wrote code for user interfaces, including interactions, responsive layouts, and styling. Utilized and contributed to the w3ds (design standards) to produce optimum user experience.
• Authoritatively and effectively provided guidance in the overall aspects of the website development.

Web Development Internship
CodersCave
Web Developer
July 2023 – August 2023
• Designed and developed responsive and visually appealing websites using HTML, CSS, and JavaScript, ensuring optimal user experience across various devices and screen sizes.
• Conducted thorough testing and debugging to ensure seamless functionality and cross-browser compatibility, addressing issues promptly to deliver high-quality end products.

TRAINING AND CERTIFICATION

Combo | Basics of C++ With Data Structures And Algorithms
October 2022 – February 2023
Coding Ninja, Online
Certificate

MERN Stack
August 2022 – September 2022
Brain Mentors Pvt Ltd., Delhi
Certificate

PROJECTS

Traveller
September 2022 Website-Link , Source Code
• Built a full-stack web application, a travel blog to share travel advice, exchange opinions on tourist activities, and communicate with each other.
• Accessible, responsive, and functional user interfaces to allow visitors on any device to have the same perfect user experience.
• User feature: register/login option, basic crud options, category option.

E-Commerce Website
September 2023 Source Code
• Conceptualized, designed, and developed a comprehensive e-commerce website specializing in Cosmetic product sales.
• Utilized React.js for frontend development, Strapi for backend management, and integrated Stripe for secure payment processing.
